DETAILED ACTION

Reasons for Allowance

1. Claims 6 and 7 are allowed.

The following is a statement of reasons for the indication of allowable subject matter:

Regarding claims 6,7, The prior art references Chua and Kallin, after having all the limitations of the claim, fails to teach that the mobile system must not send or is not permitted to send a message signal for a predicted time since resources at the base transceiver station are currently unavailable to process the message signal, but must send upon expiry of the predicted time a further preamble of the same acceptable strength.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
